

Be Summer Smart....Don't Drink and Drive

Nothing like a cold beer on a hot summer day!

Those are familiar words spoken at summer outings. All too often, someone who has been drinking gets behind the wheel of a vehicle.

That's why your MAP provider, *Lytle EAP Partners*, recognizes the need to address this grave concern. If you have been drinking, your Home Safe Program will provide reimbursement to you for your cab fare home.

- Don't drink and drive.
- Don't ride with someone under the influence.
- Call a taxi.
- Obtain a receipt and mail the receipt to **Lytle EAP Partners** at 200 Cedar Ridge Drive, Suite 208, Pittsburgh, PA 15205
- Include your name, address, and phone number and the name of your employer.
- Reimbursement is sent to your home and is limited to three times per year. **Remember it's completely confidential.**

Make a responsible choice – call a cab!

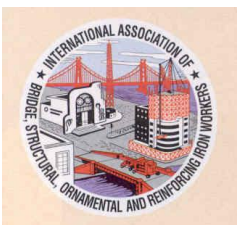

Remember...Home Safe wants to keep you safe this summer and every day throughout the year!

If you have a question or would like additional information, call the MAP at:
