Drinking?

Don't drive.

Call for a ride.

Mail your receipt & Home Safe will pay the tab.

Drinking and driving simply do not go together.

Alcohol affects our attentiveness and ability to make quick decisions on the road, react to changes in the environment and execute specific, often difficult maneuvers behind the wheel.

If you have been drinking, don't get behind the wheel of a vehicle.

Call a cab, Lyft, or Uber for a safe ride home!
It's completely confidential. Make a responsible choice –call a cab! Remember...Home Safe wants to keep you safe every day throughout the year!
